**Technical documentation page**

June 2024

- Created a technical documentation page for HTML Form Elements using HTML and CSS. Includes detailed explanations and examples of various form elements and their attributes, with a responsive design.
- Used HTML and CSS.
- Check out my project ([here](#). )

**Product Landing Page**

June 2024

- Created a product landing page for the FitFusion fitness app, providing an overview of its features, how it works, and pricing options.
- Used HTML and CSS.
- Check out my project ([here](#). )
